

Karren A well appointed, modern house with easy access and ample parking, taking advantage of it's position with the outstanding views, overlooking Vivonne Bay.

John Wyk Our family spent two nights at Koopalanda Dreaming. What a fantastic location. Great sea views, wildlife and nature on the doorstep. Central to everything on Kangaroo Island. Barbara the host, was very helpful and communicative. The house is well laid out, spacious, very modern, every appliance you could want and the bathrooms! Wow! Just amazing. Top it all off with fresh bread from the bread maker and a lovely bottle of wine.

Anthony Plate Absolutely million dollar view

amanda mill Just spent three nights in this lovely self contained house. Super impressed by the thought that went into the amenities. Especially nice touch was provision of ingredients for the bread maker. Million dollar views and visits from resident wallabies. Can't wait to come back.

Germano Sansone Cosy home with all of the essentials close to the beach and wildlife right at your back door.
